

# Artificial Intelligence

→ Only AI tools approved by Noble's IT Department may be used to perform work FOR Noble AND on Noble Devices.

→ DO NOT input company information into AI tools that have NOT been approved by IT.

→ Be transparent and critical about AI use. AI should be used as an "assistant" not an "authority."

→ Employees must obtain approval from Noble's IT Department before using any AI tool by contacting [infosec@noblecorp.com](mailto:infosec@noblecorp.com).
